

Kristine L. Delkus

Executive Vice-President, Stakeholder Relations and General Counsel

As Executive Vice-President, Stakeholder Relations and General Counsel, Kristine has overall responsibility for the management of TransCanada's Legal, Internal Audit, Indigenous Relations, Government Relations, Communications and Community Engagement functions. She also serves as Chief Compliance Officer for the company.

Since joining the company in June 1995, Ms. Delkus has held a variety of progressively senior roles with the organization. Other roles at TransCanada have included Senior Vice- President, Pipelines Law and Regulatory Affairs; Vice-President, Gas Transmission Law; Vice- President, Power and Regulatory Law; Vice-President, Law, Trading & Business Development; Associate General Counsel, U.S. Regulatory Law and North American Pipeline Ventures; and Senior Legal Counsel, U.S. Regulatory Law.

Prior to coming to TransCanada, Ms. Delkus worked at Morgan, Lewis & Bockius in Washington, D.C., where she was a senior associate in the government regulation section of a U.S. national law firm, specializing in energy issues. There, she represented natural gas, oil and electric industry clients and trade associations before the Federal Energy Regulatory Commission and Department of Energy and in appellate proceedings before the federal circuit courts.

Ms. Delkus holds a Bachelor of Arts degree (with Honours) in Public Administration from Carleton University. She was awarded her Bachelor of Laws degree from the University of Windsor. Ms. Delkus holds bar memberships in New York, Ontario and Alberta. She has a variety of publications to her credit.

Ms. Delkus currently serves on the Board of Directors for the Calgary Airport Authority. She is a former Director of TC Pipelines LP, the Canadian Lymphedema Foundation and Junior Achievement for Southern Alberta. Ms Delkus was named one of Women's Executive Network's Top 100 Most Powerful Women in Canada for 2010, was recognized as one of the World's Distinguished General Counsels by the Director Roundtable in 2015, and was awarded Canadian General Counsel of the Year (2016) by the National Post and ZSA Legal Recruitment.

With more than 65 years' experience, TransCanada is a leader in the [responsible development](#) and reliable operation of North American energy infrastructure including natural gas and liquids pipelines, power generation and gas storage facilities. TransCanada operates one of the largest natural gas transmission networks that extends more than 92,600 kilometres (57,500 miles), connecting major gas supply basins to markets across North America. TransCanada is a leading provider of gas storage and related services with 653 billion cubic feet of storage capacity. A large independent power producer, TransCanada currently owns or has interests in more than 6,600 megawatts of power generation in Canada and the United States. TransCanada is also the developer and operator of one of North America's leading liquids pipeline systems that extends approximately 4,900 kilometres (3,000 miles), connecting growing continental oil supplies to key markets and refineries. TransCanada's common shares trade on the Toronto and New York stock exchanges under the symbol TRP.
